

Dear Uniports Members,

why should I take up a membership with Uniports? **You will receive double the amount of the membership cost in YEM paid to your YEM Wallet.** Every time you renew your membership as well. 2. The advantage is you can buy at Uniports the great products that are set in YEM itself. 3. You will learn the meaning and purpose of the cryptocurrency Yem, and finally you will get to know many more ways to use the Yem as a means of payment.

**For any order in fiat currency of Uniports products you will not pay shipping and handling charges!**

**Personalized website with your own ref link**

**Mailbox in the back office.**

**Doubling of membership fees in YEM as a gift, converted at the current rate.**

**Placement of up to 20 classified ads.**

**High performance server listing of 3 properties coming soon.**

**Possibility to participate in the affiliate program.**

**Earning through commission: 15% from the membership fees and YEM gifts of directly referred members and 7.5% from the membership fees and YEM gifts of the second level (indirectly).**

If the membership fees of the private members referred by them are paid in installments, they will receive the proportionate part of the commissions

Purchase authorization for the products available at YEM YEM daily offers YEM auctions YEM shopping experiences Real-time updates Payment method, monthly, quarterly,

Payment from € 50.00 possible at any time
